Travellers' Residential Caravans

Since early April, a meadow next to Combs Lane has been used as a Travellers' residential caravan site.

The Parish Council met on 16th April to consider the situation. Also present at the meeting were Mr. H. A. Mitson (District Councillor), 34 members of the Public - mainly residents of the Combs Lane/Wash Lane area, and, Mr. Hilden, owner of the site.

Considerable concern and indignation was expressed by the Council and residents over the way in which the site was being developed without planning permission or caravan site licence. Mr. Hilden did not provide satisfactory answers as to the scale of development at the site.

The Parish Council has written to the Mid Suffolk District Council and Suffolk County Council condemning the development as illegal and undesirable and calling on the Councils to enforce planning procedures to end swiftly the development and to make proper provision on suitable sites for travellers. Copies of the letter were also sent to John Gummer, M.P., and the County Councillor, John Patton.

The Parish Council has since received, for comment, a copy of a planning application in respect of the development.

The matter is now in the hands of the District and County Councils to be resolved.

PRIMARY SCHOOL

My Sister, Lynette by Vanessa Snell, aged 7 years

She has curly hair; it is light brown. She has brown eyes. She is long and fat. She has stubby legs; they are white with brown. Lynette weighs 14 kilograms. Lynette is sometimes grumpy and noisy and horrible or sometimes happy and good, but I still like Lynette.

PETTIWARD HALL COMMITTEE

Last month's Whist Drive and Easter Monday event raised £100 which we gratefully acknowledge. Our thanks go to the Dangers and Dumplings for the fun they gave us on Easter Monday afternoon and for arranging the Ceilidh with the Trunkles. It was a most enjoyable evening. Thank you to everyone who made cakes to serve with the teas and who gave raffle prizes so generously.
