

No 133 December 1985 Editor: M.J. Baker, 7 Kersey Close, Stowmarket. ☎ 676457

[illegible]

Monday 23rd December - a 'Day' to conjure with.

Richard and his assistant, Sheryl, spent the 1985 Summer Season in Jersey and were nominated Best Speciality Act. Have no illusions, this Christmas treat has been staged to give children from 0 - 90 an opportunity to fall under the seasonal spell.

Sheer magic!

The answers to these questions and full details in next month's Newsletter, meanwhile, a Merry Christmas to all our readers.

CANDLESTICK CLUB

The December meeting is again open to all and we would welcome anyone who would like to come along to the Ruxhall Village Hall at 7 pm on Thursday, 5th December when we plan to have a sing-along; this will be followed by the Grand Christmas Draw, bringing our activities for the year to an end.

## PLAYSCHOOL

Our sponsored mini obstacle course was a great success. In fact the children enjoyed it so much that they actually completed far more than the required 10 laps. The final total figure raised is not yet available but it should be over £100 - which is terrific news for our funds. Thanks to all sponsors.

Our Christmas Bazaar will be held on 30th November in the Pettward Hall between 2pm and 4pm. We will have cakes, books, toys and craft stalls as well as a draw. If anyone would like to make a cake or be willing to donate toys, books or a draw prize, we would be very grateful. If so, please telephone me on Stow. 676249.

Also, mums, the Playgroup Christmas Party will be held on Monday 16th December between 11am and 1pm.

PRIMARY SCHOOL

Views of November

Not too much rain  
Often hot  
Very windy  
Extra jumpers on  
Much too cold at night  
Be warm  
Extremely misty  
Really cold.

Jimmy Bland, aged 7 years

Naughty brothers throw leaves  
Often I roast my toes by the fire  
Very often I see squirrels going  
Everything is wrong  
Monday in November is boring  
Bees hibernate  
Every day is the same  
Revving up cars is a job.

Andrew Davidson, aged 8 years

No birds make nests in trees  
Oh! bother, I forgot my gloves  
Very nice, warm fires  
Every day it is cold  
Mummy goes to work  
Bears like the leaves  
Every night is cold  
Rain sometimes comes.

Anna Tarsey, aged 7 years

No sun  
Or hot weather  
Very cold  
Every night it is cold  
My, my! It gets dark in the night  
Birds go home  
Eee! I feel cold  
Run away, run away, bears for the Winter.

Chay Budd, aged 7 years.

OBSERVATIONS by G.H.Chaplin

- Why is it? - If the car is running smoothly its hers,  
When its broken down its yours?
- Why is it? - That after a tree is chopped down,  
Its then chopped up?
- Why is it? - When ones children go for ice creams,  
The one they drop was yours.
- Why is it? - When told that natural honey is good for you,  
One does not ask of its original source,  
Its the same with eggs.
- Why is it? - If Mary had a little lamb,  
Why was it not in all the medical journals?
- Why is it? - When one's fishing bait costs £6.00  
One comes home with only £1.00 worth of fish?
- Why is it? - O.K.for ladies not to understand lawn mowers,  
but men have to know something about cooking?
- Why is it? - If there was a fire in a soap factory,  
Would the walls fall in with a thickening sud?
- Why is it? - The ladies effectively lag all the radiators in  
the house with damp linen?
- Why is it? - The other queue moves faster?
- Why is it? - When arriving seconds late for a train,  
Its just pulled out?  
But on arriving early, it leaves 15 minutes later  
than it should?
- Why is it? - That the late evening forecast,  
Gives us today's weather?
- Why is it? - That driving, and eating a bun is said to be unsafe,  
But using hand held radio microphones is O.K?
- Why is it? - Some tubes of glue state the ability to stick  
anything to anything,  
And yet we can still get the top off?
- Why is it? - Cows dont wear brassieres, or can they be  
Prosecuted for indecent exposure?
- Why is it? - The last person to use the toilet,  
Never repalces the empty roll?
- Why is it? - When one gets a puncture,  
Its in the middle of the night in a rain storm?
- Why is there only one Monopoly Commission?- Oh What a Crazy World!
