PETTIWARD HALL

The installation of quartzray electric heating in the Hall is now complete. There are six large heaters in the main hall and four small ones, two on the stage and two in the bar area. The large heaters have separate elements which can be individually switched by users. This means that there will be several permutations of heating available - it won't be just all or nothing. All the controls are centralised in the bar area together with three 50p meters which govern the heaters. In future users will be responsible for putting on their own heating and the beauty of quartzray is that because it heats surfaces and bodies, not space, it doesn't have to be switched on hours before it is needed.

We have just heard the results of our entry in this year's village hall competition. Not among the prizes unfortunately, but we did achieve 89.2%, which isn't too bad considering the havoc caused last winter by the burst pipe and the preparation for the heating system. The judges remarked that "the playgroup facilities must be among the best we have seen" and given that they visited 37 halls this year that's a pretty good commendation for the Playgroup.

Now to dates. The family Hallowe'en Party is on Saturday 31st October, when else?, between 6pm and 8.30pm. Tickets will be £1.50 for adults, 75p for children aged 4 and over (under 4's free) and will cover food and fun. Soft drinks will be on sale. If you want to drink something stronger, bring your own. Should be very creepy - come suitably attired.

WOMEN'S INSTITUTE

First of all a very big thank you to all members and friends who came along and supported our Craft and Produce Show on 13th August in spite of heavy rain. We hope that several ladies of the village will come along and join us now we have proved we are a little more than Jam and Jerusalem. A cheque for £83 has been sent to Denman College - our educational college in Oxfordshire that is undergoing a modernisation plan costing £1 million - every little helps.

Our speaker for September was Mr. W.J. Neill who transported us with the help of some beautiful slides to the vast country of China. A country that has seen many changes during this century full of contrasts but a culture so very different from our own. Although basically still a poor country where home telephones are a rarity and the bicycle is the main method of transport, they remain a very happy people.

Diary for October

Sunday 4th 11am HARVEST THANKSGIVING
Sunday 18th 11am Morning Prayer with choir
Sunday 25th 9.45am Family Service

People need little persuasion to come to Harvest Thanksgivings. Like Mothering Sunday, Remembrance Sunday and the like, these 'folk religion' festivals, as they are sometimes called, make more immediate sense than any other type of service, because they appeal to something very deep in our makeup. So, without further ado, come and join us on the 1st Sunday at 11am. All plain and simple. No fancy hymns or strange tunes.

Our Family Service on the 4th Sunday has built up over the past few months, especially in participation by the younger generation. Now for a new development: at St.Georges, forms take it in turns to stage the Wednesday morning Assembly, choosing a reading and hymns, and working up a playlet. The Headmaster has kindly agreed to let a form repeat their assembly as part of the Family Service on 4th Sundays. The village Brownie pack have also started coming to Family Service. So join us for the first new style Family Service on 27th SEPTEMBER. Cast of thousands. Next one, in October, hopefully the Brownies will take the leading part.

Like all groups, our choir has lost a member or two during the summer (owing to marriage and childbirth, I am glad to say, not the grim reaper) and is keen to recruit new members. There is a voice test, because we keep standards high, but all that is required is an ability to sing clearly and in tune. We'll teach the rest. Ring me or appear at the next choir practice - 29th September or 13th October, both in St.Georges Music Room at 8pm. (Are there really ZERO tenors in Finborough Magna?)

LETTERS TO THE EDITOR

From Kim Allen,

I am writing to thank everybody who made my daughter's 6th birthday such a memorable occasion. Several weeks ago I booked the village hall in the sound knowledge that when I went to set the party up there would be no problems. Silly me, I should have known booking well ahead would not guarantee that the keys would be there. So, once again, I thank everybody for the smooth running of things, and soundly advise anybody hiring the hall to get the keys the day before as it is no good arriving half an hour before things should start, as I found out.

From someone who forgot to sign their name,

Would you please print in the Great Finborough Newsletter, about people who take their dogs in the churchyard, let them romp around, and foul on the graves and around them. It's not very nice when you are cutting them and not knowing what you are kneeling in.

(NOTE: In future, I shall only include signed correspondence in the Newsletter under Letters to the Editor. If you wish your name not to be published I would respect such a request.)

PRIZE BINGO

The next Prize Bingo session will be on Wednesday 21st October commencing at 7pm. Proceeds will be for the local Mother and Toddler Group. All welcome.

Hilary Smith
