Decorating St Andrews Church for Easter 23 April 10.30-12.30

All will be welcome to lend a hand in decorating the church ready for the Easter celebrations. Coffee and cake will be served. All levels of skill welcome. We look forward to seeing you.

Editorial

At last Great Finborough and the other villages in the Benefice have a Priest in Charge. After the Interregnum (Church of England euphemism for not filling vacancies very fast), Rev. Chris Childs is our new vicar. As he is well known to us all we are not expecting he will need a long induction programme and he is already in post. I'm sure you will join me in wishing him every success in his new role. Living on the Finborough edge of Buxhall now, he has moved in the right direction! I understand he and his family will be staying in their own home rather than the vicarage. His contact details are in Who's Who.

There are other important decisions to be made now. This time by all of us in Great Finborough. And quickly. Elections for membership of the Parish Council for the next four years require that you decide by 4 April whether you want to stand for election.

If you know someone newly arrived and living in the village, or neighbours moving on, please let me know. 15 May is the copy deadline for material for the June 2011 edition. Please put 'newsletter' in the header if you are emailing. Norman and I welcome visitors so if you need to contact me 'phone, email or call in to Park Cottage any time. The kettle is always on.

2011 Parish Council Elections

Local elections take place this year on Thursday 5 May. This means there is an opportunity for electors to stand for election to the Parish Council. A number of existing Councillors are not standing having served their four year term, so it is important that new blood comes forward.

Once the election is past, it is no good moaning about what the Parish Council does or does not do. It is now you can make a difference by standing for election. The healthiest situation we can have is a contested election so that all Councillors are elected and have a mandate from their neighbours to represent them.

Standing for the Parish Council – there are seven seats – is a simple process. Please seriously consider standing, or persuade one of your neighbours to stand. If you are interested in finding out how to go about it, please take a look at <http://www.beacouncillor.org.uk> The timetable for the election is as follows:

- Nomination papers can be downloaded from the Mid Suffolk District Council website now at:
<http://www.midsuffolk.gov.uk/CouncilAndDemocracy/Elections/2011+District+and+Parish+Elections.htm>
- Any questions may be referred to electoralservices@midsuffolk.gov.uk or telephone 724672.
- Completed nomination papers may be delivered to the District Council at Needham Market from 21 March and must be received by noon on 4 April 2011. This date and time are fixed by law.
- If the number of candidates does not exceed the number of seats available, an election is not contested, and the result will be declared before polling day.
- If an election is contested, polling will take place on Thursday 5 May 2011.
- Counting will take place and the results will be published on Friday 6 May.

Go on, make sure you have your say to make sure our Parish Council is really representative for the next four years.

Richard Brice, Parish Councillor

News from your District Councillor

Elections 5 May

Please stand for *your* Parish Council – nominations close on 4 April.

Referendum on Alternative Vote System

My view is that the proposed system is far from ideal, but an improvement on what we have, so I would encourage people to vote 'Yes'.

Seedling Trees

As you get out in the garden more, do look out for baby trees popping up in the wrong places, and move them into pots or a quiet corner. Native species only please. Either keep them until Autumn or drop them off at the back of my house. Some of the trees donated a year or two ago had grown enough to recently be planted at the back of Pear Tree Place in Finborough, forming a boundary for Woodpecker Hill, the new community woodland. Others completed the hedging at Paupers Graves in January, and in March pupils at Stowmarket High School helped plant a new hedge in their grounds. Thanks again to everyone who brings me trees. Large pots available if needed.

Bus Services

Please let me know how the new demand-responsive service is working out for you. Good news or bad it all helps to make a case for improvements. I continue to tell those in charge that proper scheduled services are essential for education and work journeys, which cannot rely on a dial-a-ride bus being available. To get in touch about anything, call me, email me or write me a letter. See Who's Who.

Buxhall Women's Institute

February's meeting had our usual great attendance. We must be doing something right! It cannot just be the great catering. Our speaker for the evening was acupuncturist, Annya Stoddart. Often our speakers have trouble locating the hall, but Annya is a Buxhall resident with a practice in Stowmarket.

Pat who had volunteered her arm to allow Annya to demonstrate her techniques was probably delighted to hear that she practised techniques which only require very fine needles and that these only need to go in a little way! Apparently some techniques practised in Asia require much larger needles to be placed quite deeply. I have benefitted from acupuncture in the past and presumed that all acupuncturists used the same techniques. If I am ever in need again I will be sure to ask which technique is used. Although a large proportion of her clients first visit her to manage pain we learnt that acupuncture can be used to help with many other conditions, including stress, fertility problems, and some sleep disorders.

Annya also uses yoga and relaxation techniques in her practice and ended her presentation by talking us all through some relaxation exercises which left us all very relaxed and rested. Normally having a room full of sleepy people at the end of a presentation is not the desired response, but in this case, it was just perfect. Meetings are usually in Buxhall Village Hall on the 3rd Wednesday of the month. The next is on 20 April when Peter Battey's talk is entitled 'Punch and Judy'. Doors open at 7pm for a 7.30pm start. **Helen Matthews**

Hello everyone. May I introduce myself as your local Community Police Officer. Along with Police Community Support Officer, Sian Uttley, we are responsible for Great Finborough, working within the Mid Suffolk South Safer Neighbourhood Team based at Elmswell. We will provide you with monthly information about what is happening in the area and welcome any contact from you on any issues. You can also view our website www.onesuffolk.co.uk/safersuffolk/midsuffolksouth

Our current priorities for the Team are:

- Road Safety for children
- Reduce Scrap Metal Thefts in the Mid Suffolk South Area.

There have been no crimes of note over the last month but we are aware of concerns about speeding, especially along the High Road. As featured in last month's newsletter and also raised with Parish Councillors. There is a Community Speedwatch Scheme for the village and you may want to play your part in reducing speeding by becoming involved. If there are particular individuals you see speeding or if there are times and days that are worse then please provide details. Meanwhile we will monitor this situation as often as we can.

Theft of scrap metal, particularly lead, copper and catalytic converters, is on the increase so please be vigilant and take as many steps to protect your property and spread the word. 'Smart water' can be used to paint onto precious metal giving it a unique identification code that cannot be seen to the naked eye. If you would like any crime prevention advice on this or any other matter then please do not hesitate to contact us. Our Police Direct Scheme is a free service that sends you a message by email, text or voicemail of matters relating to your postcode area including crimes, suspicious persons or vehicles. To register contact 01473 613997 or register online at www.suffolk.police.uk.

Tea with Trudy

What nicer place to have a cup of tea and some light refreshments than in the beautiful Northumbrian countryside at the foot of the Cheviot Hills. And no nicer hosts could I have wished for than Trudy and Ian Gray in their new, albeit temporary, home in the vicarage at Alwinton. As most of you know, Trudy has taken a five year term of office in this very northerly parish comprising three churches. She is enthusiastic about the changes she has had to embrace including the remoteness compared with life in Great Finborough; the very white and long Winter; and regular congregations of 50-100 parishioners. She has been an active priest, not just with regular church services but baptisms, funerals and her first wedding booked too.

Trudy and Ian live in a stone built cottage at the edge of the churchyard with the church itself sitting higher up. The view is absolutely lovely with the hills and valley showing the English countryside in its unspoilt beauty. Trudy is no stranger to Northumberland. Her mother comes from Broomhill which is a village about twenty miles east and almost on the coast.

Ian is happy with a new garden to tend and bring back to a level of beauty and production that it must have had years ago. There is so much for him to do and much evidence of his efforts so far. Dead wood chain sawed off trees; extensive preparatory work on the many vegetables he is putting in; and repairing and extending the garden path and old driveway. His raspberry canes neatly in rows bought with some of the money they were given as their going away present – for which he says “thank you”.

All in all they have settled in well and are very much at home in their beautiful surroundings. It was a lovely visit for me and my sister and I hope to do it again and bring back more news about their progress. There are a number of holiday chalets a few hundred yards away so if any of you fancies a peaceful retreat near an old friend then this is the place to go. Trudy asks to be remembered to everyone back in Suffolk and says “God bless you all”.

Finborough Wildlife Group (FWG)

If you go down to the woods today you're in for a big surprise. Well may be, because the village wildlife group is working with Natural England and the Nature Conservancy Council to reintroduce mammal species to the parish, which were once native to Suffolk, but have since become extinct.

Top of the list for reintroduction is the Dormouse (*Muscardinus avellanarius*), the only dormouse native to the UK. It disappeared from Finborough in the late nineteenth century. This little fellow will be a welcome addition to our woods and hedgerows and may, from time to time, be a garden visitor (especially when tempted with pickle and cornflakes).

Second, it will not be a surprise that there are large sustainable local populations of roe, fallow and muntjac deer. A recent survey has confirmed that the numbers are sufficiently self-sustaining to warrant the re-introduction of extinct predator species as a biological control. Against this backdrop, the wildlife group is delighted to have won grant-aid to reintroduce a small pack of wolves to Finborough Wood.

Although the Wolf (*Canis lupus*) has earned a bad name in some quarters, they very rarely take pet animals and almost never small children, unless they are wearing red hoods. Residents can be assured that the previous large mammal reintroduction to the village has largely gone unnoticed and a family of Brown Bear (*Ursus arctos*) have been living quietly in the wood behind Pear Tree Close since May 2009. The only noticeable effect has been increased porridge sales at the village shop. The wolf pack will be released just before noon on Friday 1 April.

Allotments

Despite the Parish Council's announcement in the February newsletter that it had 'decided to progress the matter through compulsory purchase or compulsory lease' the March meeting decided to leave it to the next meeting, after the May elections, when there will be a new Parish Council. They did, again, instruct the Clerk to investigate the procedures for compulsory action so that the information would be available to the new Council. I provided information on this last July so, on behalf of the allotmenters, I was a bit critical. John Matthissen defended the Parish Council by pointing out how much had been achieved on other projects in the village in the last year. The Clerk suggested that one of the people interested in an allotment should stand for the Parish Council. As there are already two potential allotmenters on the PC we need two more and we could have a ruling majority. The Great Finborough Parish Council could be controlled by *The Allotment Party!* Just a joke but it is a thought!

John Davey

News from Great Finborough Primary School

In March children from Years 3 and 4 had the opportunity to perform at the Snape Maltings' Celebration of Schools' Music. Here are some of the things they have written about their experience:

"When we got to Snape Maltings we all had our yummy lunch. After lunch we put our black plimsolls on to get ready for the rehearsal. When all of us were lined up we went into the outstanding concert hall. There were really bright lights, when you said something in the smooth black microphone it would echo all around the big hall. First Maddy spoke in the black microphone then the shining suns danced, their performance was brilliant".

"When I first got onto the stage there were so many people it was so frightening. At first it was hard to see my family. Soon the show had started and I was determined to do well so I sat still and concentrated! Before I knew it was the Moon Dance. I walked gracefully looking proud. I quickly picked up my ribbon and twirled it around I was doing well. Unfortunately I still felt scared but I kept going. Then it was the Star Dance. I was amazed at how well the people playing flutes did. After the stars danced I had to do drums I was very astonished it was brilliant. It was nearly the end we all went to the front of the stage to perform our song. We did well then it was our turn to watch".

"Finally we had the chance to perform in a proper theatre. When we went on the stage I was amazed at how many people were there. It looked scary but all you needed to do was pretend that they were not there, I got used to it. I was thinking it was scary but I enjoyed it. I could see my Mum and they liked it and it was very loud when all of the people clapped".

"When I stood on stage I was very nervous and excited. Lots of people I didn't know were there. I was so shocked with how many people there was. After we did the sun dance it was the moons time to dance and I played the glockenspiel".

News from the Woodpecker Hill Group

Work on the woodland now being managed by The Woodpecker Hill Group got underway on 6 March. After hard work an area was cleared with creation of seating and habitat woodpiles. We would like to thank our friends in the community for their help, especially to Ian Cameron for his chainsaw expertise and loan of the garden club equipment; to John Matthissen for the donation of saplings; and to all the other people who came along to help.

The very next week children of Great Finborough Primary School used the area. Blue Class had their Forest school session there and Green Class went there on their weekly welly walk. This has further strengthened the link between the Group and the primary school, which will be involved in lots of exciting future projects.

The first project for the children was to design a logo for the Group. We had a very tricky time deciding which of the beautiful pictures would be 'the One'. We can announce that Chloe Poulding of Red Class was the overall winner. Congratulations and thank you to everyone who entered.

On 16 March the inaugural celebration took place at the primary school. There was a short assembly with Grenville Clark from The Green Light Trust, to which the Group is affiliated. This was followed by the children of Purple Class planting some saplings in the tree nursery and the ceremonial planting of a Rowan tree. County Councillor Penny Otton kindly funded the Rowan tree and the tree nursery materials. Thank you to her and to The Woodland Trust for the saplings.

The tree is our gift to the school in thanks and anticipation of the work in which they will be involved. The children have planted a time capsule filled with something from each class. We hope to get together again in 50 years time to dig it up. There's a date for your diary! Thank you to all who attended the inaugural celebration.

We will be continuing to work on clearing the area and making improvements for quite some time. We will be grateful to anyone who comes to help, gives advice or simply brings along a flask of tea.

If you are unaware of the area I am talking about, it can be accessed via Pear Tree Place. Do go and take a look as this is an area for the community. All that we ask is that you treat it with respect, and report any suspicious behaviour immediately. For further information please call Rob Nurton on 674396.

We are organising an Easter egg hunt at the primary school. It will take place at 3.20pm on 6 April 2011. There will be an egg hunt, a raffle and a cake stall. So please come along and join in the fun and help us raise money for the Friends.

Squirrel Garden Club

We are beginning to get up and running again this term with children clearing the garden ready for planting. They have already planted sunflowers; prepared potatoes for planting; and sold some crocus plants that they had planted over the Winter. A big thank you again to the Great Finborough and District Garden Club for the donation of two garden forks and some bird boxes for the playground.

If anyone has any small children's garden gloves they do not need donations would be very handy for the children taking part in gardening club. Please leave any donations with the school office or pass to one of the gardening club helpers.

Unwanted gifts

We are always looking and relying on donations of raffle prizes and other things to help us with our fundraising. We will take any of unwanted gifts off your hands. Please drop off any donations at school or speak to a member of the Friends.

Great Finborough & District Garden Club

The weather this month has shown signs that Spring is returning. The temperatures are slowly on the rise. Daffodils are starting to bloom; and the crocus and hyacinths are in flower. The March meeting was an illustrated talk by Mike Perry from our local seedsmen, Thompson and Morgan. He showed us how from small beginnings a worldwide business has grown along with the, sometimes, years of work that goes into developing a new variety.

Our next meeting will be held in the Pettward Hall on Thursday 14 April at 7.30pm when Sarah Cook will be speaking about those stately additions to the garden, the Iris and their breeder, Sir Cedric Morris.

The 2011 Village Open Gardens will be held on Sunday 3 July in aid of a charity to be decided by the membership of the Club at the April meeting. If you would be interested in opening your garden to help us in our efforts we would be delighted to hear from you. It is not necessary to be a member of the Club to participate and receive an invitation to the prestigious 'President's Lawn BBQ'.

If you are interested in joining the Garden Club or would like to join us for any event you will be very welcome. Membership is £12.50 per household per year. Non-members can attend meetings for £2 per person. For further information contact me or John Davey at john@abbeyclassics.co.uk - see Who's Who. **Judith Cameron**

Model Railway Exhibition

Stowmarket Railway Club will be holding its annual Model Railway Exhibition on Sunday 17 April from 10.30am to 5pm at Mid Suffolk Leisure Centre, Gainsborough Road, Stowmarket. Fifteen steam, diesel and electric layouts will be on show, including a Thomas the Tank Engine layout which children (or adults who are children at heart!) can operate in return for a donation to charity. There will also be traders selling models, accessories, tools and books. Admission prices are Adults £4, Concessions £3 and Children £2.

The Railway Club would welcome new members with an interest in model railways and the real thing. It meets every Tuesday evening at a specially adapted building in Stonham Aspal. Members enjoy presentations, guest speakers and modelling evenings and have access to an extensive library of books, magazines and DVDs. There will be more information on the Club at the Exhibition or visit the website at www.stowrailclub.org.uk. Please telephone me on 771360 if you think you would be interested in joining us. **David Preece**
