The Newsletter is produced by Great Finborough Parish Council, printed by Gipping Press, and distributed to all households in the village free of charge. Claims made have not been verified. For these the newsletter disclaims responsibility.

Editorial

As the days draw in and the trees start shedding their leaves, the warm summer days are but a distant memory as we settle down in front of a warm fire and scan the TV guide for something half decent to watch that isn't a repeat! If you can't find anything, don't worry, why not pay a visit to your mobile library van and borrow a book or two. We need to support this local service in order to keep it going, more info on page 13.

Or, if you fancy a chat over a drink, pop into the village pub, now fully refurbished and serving food. You might fancy doing some early Christmas shopping at the craft fairs being held in Pettward hall. What about attending the coffee morning or the pop-up tea room, both great events to meet friends and make new ones. We are very lucky to have a lively village community so make sure you get out and take part.

I'm sure we are all aware that 11 November is Remembrance day and a service will be held in St Andrews , starting at 10.50am on Sunday 13, to remember those that gave their lives in the service of our country in conflicts around the world. The village Primary School will be taking part as we make good the vow "We Will Remember Them".

The village litter pick takes place on Sunday 20 November, starting at the car park at 10am. The more the merrier for this event please, as we split up into groups and give the village and surrounding area a good tidy up. Litter grabs and bags provided.

Finally, the Parish Council would ask that drivers show consideration for residents of Oak Close and Middlefield Drive when dropping off your children for school. Please pass this message on to other parents who may not receive this newsletter.

The 15 November is the deadline for inclusions for the double December/January issue of the newsletter, so please contact Simon Tarabella or Peter Turner, or drop in to Maple Lodge, the kettle's always on.

Great Finborough Parish Council

As there was no Parish Council meeting this month a forward planning meeting was held on site at the village sports ground and car park to look at ways of preventing joy riders accessing the football pitch and further damaging the grass surface.

Other matters discussed were the rectification of defects to the children's play area and the ongoing inconsiderate / nuisance parking in Oak Close / Middlefield Drive at school drop off time.

Speedwatch

Regular speedwatch patrols are now being carried out in the village and we have already seen some reduction in speed through the village but there is a long way to go yet. If you could spare some time to be part of this initiative, it would be much appreciated.

Extract from Suffolk speedwatch news:

Great Finborough Church Primary.

The first half of term has flown by, and the children have already enjoyed a wide range of learning opportunities. Red class have been learning about homes and our village. They have explored the village with local walks, and completed their learning with a 'Lego project day', where they replicated aspects they had studied about our area in a whole class building project.

Teams from Key Stage 2 have represented the school at local sports events. Years 5 & 6 entered a cross country competition, with Luca Gambling completing the course in under 10 minutes! A team of Years 3 & 4 children went to Beyton Sixth form college to compete in a Tag Rugby Festival. Well done to both teams! The school has also been recognised for its high level of sports provision by achieving the Silver Kite mark.

We held a successful open evening on 11 October for prospective new parents to visit the school, and another open day event will be held in November. This is a chance to meet staff, children and Governors of the school and to find out what our school has to offer your child. No appointment is required to attend the open day, so please do come along. If you are unable to make this date, please do not hesitate to contact the school office, where we will be pleased to arrange an appointment to visit the school. The deadline by which you must apply for a place to begin in September 2017 is 15 January.

News from your District Councillor - John Matthissen

Devolution

The change of Government seems to have caused some delay and possibly a re-think. The consultation period on devolution of powers from Westminster to a combined authority covering all of Suffolk and much of Norfolk is over and key statistics are now available. Only about half of respondents are in favour of devolution and an elected mayor for Norfolk and Suffolk. With 4 councils in Norfolk opposing the scheme as well, devolution may not go ahead; we should know more during November.

Mid Suffolk and Babergh HQ move to Ipswich

This move was duly pushed through Council by the Conservative group, by 26 votes to 12, with 2 Conservatives voting against. There was a long debate, with opposition members expressing many misgivings. It was notable that all Stowmarket members voted for the move to Ipswich. I voted against because I believe the move will provide poor access for the public, as only 2 access points, one in each district, are now envisaged, on the basis that most enquiries will be dealt with via the web site and telephone.

The fundamental principle however is that the Headquarters of the council should be in one or other of the Districts that the council serves, so that the council is visible and identifiable to the public that it serves, an important part of public trust in local government and council accountability.

Post Office service

I was puzzled and then amused by the consultation regarding a mobile post office visiting Great Finborough twice a week. It appears that the Postmaster from Stowupland has been providing the service unofficially for the last few months, but the management has now caught up and is making the arrangement official. A special thank you to an enterprising postmaster

'Little Ernie'

The winners in the October draw were Connie Morel and Elizabeth Pyke. They each received £10.25.

1930's Afternoon Tea Party

The committee would like to thank everyone who supported this event on 9 October. Forty-five people tucked into sandwiches and cake, viewed a display about the history of the hall and enjoyed Sharon's performance of songs from the mid 1930's. A good sum was also raised for our Hall Improvement Fund.

Pop-up Tea Room

The next Pop-up Tea Room will be held on Friday, 18 November. This time we will be open from 2.30pm so, if you are picking up children from school, why not come and enjoy some tea and cake with your friends beforehand?

Help Needed

For 10 years Angela Wilcox at Gothic House, the old chapel on the High Road has been delighting the eye with her front garden. Now, as she approaches her 90th birthday, we would like to find an apprentice who could learn from her, do some of the harder work, and help to keep the garden developing for all who pass along the road. Ideally we want to find someone who could do 2 visits making up 2-4hrs a week (£10ph) to keep the garden tidy, work with Mrs Wilcox to plant and nurture, and learn from her lifetime's experience. A love of tea and biscuits will also be an advantage, along with the work. Please email chris@chrisgrady.org

Great Finborough & District Garden Club

The autumn season has arrived but the level of rainfall has still not been enough to make the soil easily workable, or not in my garden, so putting the garden to bed for the winter is the next task in hand as soon as the soil is moist enough to get a fork into. Then we can all relax by the fire with the seed catalogues and dream of next year's flowers and vegetables.

Our meeting this month was a talk by Simon White of Beales Roses who took the fear out of pruning our roses. Basically you can do anything to them and they WILL survive, but there are ways of pruning to enhance their performance, for example staggered height pruning to give a column of flower rather than having the flowers all at the same height.

November's meeting on Thursday 10 at the usual time of 7.30pm features an illustrated talk by Bob Bartrum who is a fuschia specialist with a variety named after him.

Please put the date for the Christmas party in your diaries. This will take place on Thursday 1 December, with nibbles and mulled wine. Again this year it will be held in the main downstairs Hall and will start at 7pm, half an hour earlier than our normal meeting time. Further details to follow.

Finally, if you are interested in joining the garden club or would like to join us for any event you will be very welcome. Membership is only £15.00 per household per year or £2.50 per meeting. For further information contact either: John Davey or Judith Cameron (see who's who).

Your Library Van - Use it or lose it

When Suffolk County Council cut down on mobile library vans earlier in the decade many people assumed that Great Finborough lost their van. We actually kept it - but only just.

The library van comes every fourth Friday to Oak Close - opposite the playground. It comes from 4.10pm to 4.30pm. The next two dates are 25 November and 23 December. Although the library fits into a small van, it has a surprisingly good stock, although you can reserve books online.

You don't need to have your card in your pocket to take out books from the mobile library. If you already have already got a library card, you can usually simply give your name and address. If you haven't got a card, don't worry, bring along proof of identification and they will give you a card or you can complete the online form and they will send the card to you.

If you want a reservation to come in the van you will need to change your registration to the Mobile Library at Bury, which you can do either online at the Suffolk Libraries site (using My Account and then Personal Details) or you can ask for this to be changed in the van itself.

A great advantage of the library van is that when you take out a book then you can do this for two months rather than the three weeks that you get from a static library such as Stowmarket.

However, the mobile library has to be used more or we could lose it. Suffolk have only committed to keeping the library buildings open, and not the vans. There is not - yet - any friends' organisations for the village library vans. I am trying to set up a friends of mobile libraries to stop Suffolk County Council cutting back on these, and if you want to know more about this then please email me on jaspencer00@gmail.com. The Suffolk Libraries site can be found on <http://suffolk.spydus.co.uk/>

From the Rectory – *looking backwards and forwards!*

On a whim, in late September, I went to London for the day. I always seem to find my way to an art gallery when I do that and this time was no exception. I went to the Courtauld Gallery and spent a wonderful hour or so looking at Renoir's and Manet's and a few other Impressionist painters' works. Then I went to a book shop near Westminster Abbey, I had promised myself I'd look in next time I was in London. As I got off the bus I realised that the Abbey bells were ringing and people were pouring out of the building. I went up to the BBC camera people and asked them what I'd just missed. Apparently Esther Rantzen had just left but I was within a couple of feet of Chris Evans, Aled Jones and many others – most of whom I have no idea who they were! The occasion, the BBC lady told me, was Terry Wogan's memorial service.

Some say you should never look back with longing or re-visit your past. But I think remembering and delighting in what has been is quite important some times. A memorial service is an opportunity to give thanks for a life well lived and to share memories.

In early October I went, at the invitation of my previous church in Felixstowe where I had been a minister for 11 years, to preach and conduct their two Sunday services at 8am and 10am. It was definitely a trip down memory lane for me; Felixstowe was where I had lived with my late husband for a number of happy years before his untimely death and it was where I had loved being right by the sea. It was good to go back – but I am also glad to have been given the opportunity to come and live amongst you all in these rural villages. Life moves on and so must we. Change is not to be feared.

November is the time in the churches calendar when we look back and remember too. We call it the Kingdom Season. An image of the Church is of a pilgrim people because throughout the Church year we travel with Jesus in the readings, sermons and prayers we have in church

each Sunday. We witness the birth of Christ, we listen to his teaching, we are there at his execution, and we celebrate his resurrection. In November we also recollect saints and ordinary people and in our church services on Sunday 13 November we confront issues of war and peace, loss and personal sacrifice, as we remember those whose lives have been lost in the service of their country. And this year we continue to remember those whose lives were lost 100 years ago as the First World War waged on.

As we reach the end of the month though we begin to look forwards - towards the celebration of the birth of Jesus. And this is where the POSADA comes in!

A set of beautifully carved wooden figures will be travelling around each parish during December. Joseph, Mary and the donkey need lodging each night during Advent as they travel to Bethlehem to look for a place for Mary to have her baby. You might be one of the lucky ones who gives them a home for the night – the next day you pass them on to the next household – and on Christmas Eve whoever has them is asked to ensure they get to your parish church for the Christmas Day service. You'll find a little book inside the bag they travel in, so you can write about your experience with the POSADA.

Allotments

The allotments continue to thrive and give lots of joy as well as yummy vegetables. The flowers are gorgeous this year too. However, we have seen a few problems with blight and fungus due to the very wet start to the year. We were blessed with gorgeous weather in late summer and it was lovely to be on site with that great view over the valley. We are planning next year's crops already – the lovely Kings seed catalogue has arrived and its full of wonderful ideas and a huge variety of seeds. So exciting!

Thank you to the parish council, garden club and everyone who helped with the lowering of the hedge alongside the allotments – it makes such a difference to the plots and will now be a manageable hedgerow.

We have one plot available – at 60 sq m it's not too large and so very manageable. If you have been thinking you might like to have an allotment – now is the time! Please do contact me and we can have a chat about it – contact details on the back page.

NHS Continuing Healthcare is NHS fully funded care that is provided for individuals who are not in hospital and have been assessed as having a “primary health need”.

A couple of the many misconceptions are: -

I have to be in a nursing home/care home to receive it. No, the care maybe provided in your own home; and

It is depended on my income and size of my bank account. No, NHS Continuing Healthcare is not means tested.

Nevertheless, it is still difficult to meet the criteria for obtaining NHS Continuing Healthcare because it looks at a whole range of needs together with their severity and complexity.

When reviewing and assessing your needs, you may be reviewed using a screening tool called the Checklist to identify if you may be eligible for NHS Continuing Healthcare. However, it is not an indication as to whether or not you are actually eligible. This can be done by a nurse if you are in hospital and on a pathway to being discharged; a doctor or nurse in your own home or a social worker. There are other practitioners that may also be able to complete the Checklist. If after going through the Checklist it suggests you may be eligible, the local clinical commissioning group (CCG) will then write to you to confirm whether or not you will be referred for a full assessment of your needs. This assessment is carried out by a multidisciplinary team, using a tool called the Decision Support Tool. This tool is used to assess whether your main or primary care needs relate to your health by looking at several types of care needs. The multidisciplinary team will then make a recommendation to the CCG about your eligibility. The CCG will then write to you to confirm whether or not you are eligible. If you are eligible for NHS Continuing Healthcare, the next stage is to arrange a suitable care package.

Please be aware that that your eligibility for NHS Continuing Healthcare will be reviewed regularly. If your care needs change, the funding arrangements may change.
